Illinois Power Agency -- Approval of Batches, Contracts, and Confirmations
under the Illinois Adjustable Block Program – Vote, Pursuant to Section 16-
111.5(b)(5) of the Public Utilities Act, on Approval of Program Administrator’s
Submissions.
- O-2
Vote, pursuant to new Public Utilities Act Section 16-135 contained in Illinois
Public Act 102-0662, to direct Staff to conduct a series of educational
presentations and discussions about energy storage solutions in Illinois to allow
interested stakeholders opportunities to learn about various storage options and
the legislative and regulatory framework by which energy storage policy might be
implemented in Illinois. These educational sessions should begin as soon as
practical and conclude no later than February 2022. At the conclusion of the
education sessions, Staff is directed to file a draft report with the Commission,
summarizing the sessions, making preliminary recommendations about the
policies and programs Staff and stakeholders recommend the Commission
support to advance the deployment of energy storage solutions, and requesting
the Commission initiate a docket in which the report will be finalized.
